

*Pittsville School District's Vision and Mission:*

**Vision:**

*Expecting Excellence and Innovation, Honoring Legacy, and Embracing Partnerships*

**Mission:**

*Expecting Excellence and Integrity from all, developing Innovative students, strengthened through Partnerships with parents and the community*

1. Student and Staff Learning:

- a. English 11/12 is interviewing local businesses for articles to be presented in the Pittsville Record. This course is taught by Chauncey Jones. This is at the request of MaryAnn Lippert on behalf of the Pittsville Area Business council. This is also the academic spotlight for the month.
- b. The PHS Greenhouse is open for business Mon - Fri from 8am - 3pm. The Landscaping and Design class taught by [Lindsay Meissner](#) was instrumental in making this possible. Also, the Large Animal Science class was visited by three happy llamas on Wednesday, May 5th. For many students and staff, meeting a llama up close and personal was new, and delightful, experience.

2. Innovation and Recognition:

- a. We would like to recognize [Dan Merritt](#) for the outstanding work he does keeping us smiling, and the fastidious nature with which he takes care of our building.
- b. A big thank you to Jordan Rayburn for getting the yearbook successfully put together once again.
- c. A “great job” to [Emily Krystowiak](#) for completing the Mental Health grant once again, and for a successful, and smooth, state testing cycle. She managed the

distance learners as well as the brick and mortar testing with efficiency and ensured all students were successfully assessed.

3. Looking Ahead:

- a. Graduation for the Class of 2021 on May 28, 2021 at 7 pm.
- b. Senior signs were donated for the Green Space by the Gardner family and will be given to each senior on May 28th as they leave the graduation ceremony.
- c. Senior Awards night is May 26th.
- d. There is no senior concert this year as no seniors had a desire to participate.
