Monthly Custodial / Maintenance Report August 2020 Pittsville School District

Personnel Information

40hrs of vacation time was used in the month of July.

Training Conducted

Compressed Gas Safety training and Indoor Air Quality training was completed in the month of July.

Inspections

- Monthly fire extinguisher inspections were completed.
- Completed weekly eyewash station inspections.
- Cooling tower loop testing was completed in July.

Progress on Projects

- Installation of new bottle filling stations was completed in July.
- Waxing in the high school has been completed and the building was turned over to the principal.
- Waxing is finishing up in the elementary school.
- New acrylic shields were installed at all Administrative assistant's desk and in food service areas.
- Touchless faucets are being installed in all buildings.
- Requested estimates from contractors for the replacement of the backup boiler in the high school. This is part of the recently passed referendum. Once all bids are received we will begin the process of choosing a contractor for this project.

Comments

Be safe and enjoy the rest of summer!

Sincerely,
Dan Giles
Facility Manager
