<b>2015-2016 Performance Category</b>	71.1 <i>Meets Expectations</i>	73.1 <i>Exceeds Expectations</i>	66.0 <i>Meets Expectations</i>

The full versions of the District’s most recent school and school district accountability report, as issued by the Wisconsin Department of Public Instruction under 115.385 of the state statutes, can be accessed via the district’s website at [www.pittsville.k12.wi.us](http://www.pittsville.k12.wi.us).

Educational options for eligible students who are enrolled in the Pittsville School District that involve part-time attendance at an educational institution other than a District school or program include the following:

- Taking specific courses at another educational institution through the Course Options Program, as authorized under section 118.52 of the state statutes.
- Taking specific courses at eligible institutions of higher education through the Youth Options Program, as authorized under section 118.55 of the state statutes.

Additional educational options for children who reside in the District that involve full-time enrollment/attendance at a school, program, or other educational institution that is not a school or instrumentality of the Pittsville School District include the following:

- Attendance by high school students meeting certain age and other eligibility requirements at a technical college or in certain other programs for the purpose of completing a program leading to the student’s high school graduation or to a high school equivalency diploma.
- Full-time Open Enrollment through a nonresident school district under section 118.51 of the state statutes (including possible enrollment in certain non-District virtual charter schools).

- Beginning in the 2016-17 school year, a child with a disability who meets the program’s specific eligibility requirements may apply to attend an eligible, participating private school under a scholarship awarded through the state’s “Special Needs Scholarship Program,” as established under section 115.7915 of the state statutes.
- Enrollment in any private school of the family’s choosing (at the family’s own cost, as applicable).
- Enrollment in a home-based private educational program as provided under state law.

Educational options for children who reside in the Pittsville School District but who are enrolled in and attending a private school or home-based private educational program include the following:

- Such students have the opportunity to attend certain summer school classes/programs offered in the District.
- Private school students in the high school grades have the opportunity to apply for approval to take up to two courses per semester in a District school, pursuant to section 118.145(4) of the state statutes.
- Students who are enrolled in a home-based private educational program have the opportunity to:
  - Apply for approval to take up to two courses per semester in public schools as provided under section 118.53 of the state statutes.
  - Participate in District interscholastic athletics and other District extracurricular activities as provided under section 118.133 of the state statutes.

For more information about any of the educational options listed in this notice, please contact the principal of your child’s school, the District’s main administrative office a 715-884-6694 or the Wisconsin Department of Public Instruction.
